Books by Masaaki Hatsumi Soke

So Jutsu Rokushaku Bo Jutsu Knife & Pistol Fighting Those books are really interesting with all levels of the Yari (So) - Bo Jutsu & also the Knife and Pistol Fighting Techniques. With some knowledge in handling pole-weapons, itâ€™ll be easy to learn and apply the many techniques shown in those books. Apart from that, it also contains a lot of Densho (scrolls of transmission), which makes it an interesting read for martial historians. Â
